COMMISSION PROPOSAL

REF: SECSTATE 140191

(SBU) Post delivered reftel points to Ministry of Foreign Affairs contacts, including Juraj Kubla from the Human Rights department, on August 1. Kubla told us that the Ministry will study the points carefully, but after reviewing the points he believes the US and Slovakia are in "the same boat." He said that Slovakia "fully supports the reform of the Human Rights system in the United Nations, and especially the creation of the Human Rights Commission as a standing body."
